# SPECIAL FEATURES

## Patent Pending - Handle System

All Caskets are equipped with an exceptionally strong handle system where the handles are stored in a fully retracted position. A slight touch to each handle activates a special latch mechanism that releases the handles to the extended carrying position.

The handle system has been tested at over 1000 lbs.

## Spacious Interior

Our standard size casket's interior measures 26 1/2" Wide x 81" Long x 16" Deep

## 10-Handle Oversize Casket

All oversize caskets are equipped with 10-handles.

## Interchangeable Theme Options

Caskets come in a neutral theme consisting of a fabric lid panel adorned with a "Berry" medallion in its center. Matching medallions are included for the handles.

We have a large selection of optional themes that consist of a lid panel and handle medallions. The lid's theme panel and handle medallions make excellent mementos. The theme kits can be delivered overnight via Fed-X or UPS

For more details, please refer to the booklet entitled "A Special Tribute To A Special Person".

# ABOUT US

## CASKET'S UNIQUE

In 2008, Paul Hughes started designing and building caskets in Midland Texas. His caskets were well received and the demand soon out grew his supply capabilities. In 2010, he entered into a joint venture with Imperial WoodWorks Inc. in Waco Texas. As a result of the joint venture, product design remains with Paul Hughes. With the joined forces of Caskets Unique and Imperial Woodworks, the partnership provides for an increased capacity in both manufacturing and marketing of the patent pending casket designs.

## IMPERIAL WOODWORKS, INC

Imperial Woodworks Inc. is a well respected 51-year old church and funeral home furniture manufacturer. Over the past half century they have become one of America's largest church furniture supplier. Their 100,000-square foot state-of-the-art facility is located in Waco Texas.
